

GETON CONTAINERS

100kw hybrid inverter factory in Argentina

Overview

What is a 3 phase industrial hybrid inverter?

The 100kW 3-Phase Industrial Hybrid Inverter is a powerful and scalable solution designed to meet the demands of large industrial energy systems. Supporting parallel operation of up to 4 inverters, it can be expanded to an impressive 400kW capacity, making it ideal for high-power applications.

Is goodwe a top 3 hybrid inverter supplier?

GoodWe has more than 4,600 employees situated in over 20 different countries and was regarded as the Global Top 3 hybrid inverter supplier by Wood Mackenzie in 2021. The company has an accumulative delivery of more than four million inverters and installation of 52 GW in more than 100 countries and regions.

What is a high voltage inverter?

High voltage, three-phase energy storage for commercial applications. The inverter series, which boasts a maximum charge/discharge current of 100A+100A across two independently controlled battery ports, has 10 integrated MPPTs with a string current capacity of up to 20A – ensuring unmatched power delivery.

Are Fiasa inverters good?

FIASA inverters are known to have good compatibility with wind turbines, solar panels, and batteries. FIASA also provides a warranty period for its inverters for approximately 6 months. TRV Eco Energy is a manufacturer and distributor of renewable energy brands from Argentina.
