

**GETON CONTAINERS**

# **Africa solar container outdoor power custom manufacturer**

## Overview

---

What are VAC solar containerised solutions?

The VAC Solar containerised solutions include the required high voltage inverters, LiFePO4 batteries and MCCs (Motor Control Centres) complete with the AC and DC switch gear and protection i.e. circuit breakers, change over switches, fuse protection and SPDs (surge protection devices).

Where are solar power plants made?

Headquartered in Shanghai with 50,000+ production bases across Jiangsu, Zhejiang, and Guangzhou, the company employs 1,000+ professionals, including 20+ engineers driving energy storage technology. ISO/TUV/CE-certified units deliver rapid-deploy solar power for off-grid, emergency, and mobile applications, reducing emissions by 70% vs diesel.

Who are VAC solar?

VAC Solar specialise in the design, development and construction of containerised solar PV plants. The deployment of containerised PV plants is a fast and convenient method of deploying a new system in remote locations where brick and mortar buildings are not available.

Why do you need a solar container?

Deploy power in hoursPerfect for remote locations, construction sites, events, and emergency response situations. Our solar containers ensure fast deployment, scalability, customization, cost savings, reliability, and sustainability for efficient energy anywhere.

## Africa solar container outdoor power custom manufacturer

### [Engineered Solar Solutions](#)

Given our Solar PV, Power & Water Utility Engineering knowledge, deeper understanding of the unique conditions found in Sub- Saharan Africa & the absolute requirement for remote access ...

### [Free Quote](#)

### [Top 10 Solar Companies in Africa 2025](#)

Comprehensive 2025 ranking of Africa's leading solar companies. Discover top innovators in project development, mounting solutions, and off-grid systems transforming energy access across 54 nations. Updated analysis.
