

GETON CONTAINERS

Austrian lithium energy storage power supply manufacturer

Overview

What is Leoch lithium battery?

Leoch lithium battery focuses on energy storage integration and application technology, focusing on home energy storage, network energy, power energy storage and smart energy. It has a professional BMS R&D team to meet customers' diversified energy needs.

What is European lithium's Wolfsberg Lithium Project?

Having lagged behind, Europe is now investing billions of Euros to transform its auto industry and become a leader in electrified mobility. European Lithium's Wolfsberg Lithium Project is in the heart of Europe's burgeoning cluster of battery manufacturers. Confirmation * You agree to add your personal information to our mailing list.

Who is Wolfsberg lithium?

We aim to be the first local lithium supplier into an integrated European battery supply chain. Located 270km SW of Vienna, in Carinthia, Austria, Wolfsberg is a hard rock lithium deposit with historical exploration a JORC resource, with exploration upside.

Who does Leoch supply power battery solutions to?

The solutions are mainly supplied to the mainstream manufacturers in the industry. Leoch has the world's most advanced production equipment and power battery technology research and development equipment.
