

# China distribution switchgear in Sweden

## Overview

---

Does Sweden trade with China?

Trade between Sweden and China has increased for a long series of years. Approximately 10,000 Swedish companies conduct this trade and just over 600 Swedish or Sweden-related companies have operations in place in China. The country is Sweden's largest trading partner in Asia.

How efficient is the distribution system in Sweden?

A very high level of efficiency characterizes the distribution system. The Swedish Trade Federation (Svensk Handel), is the principal organization for private sector importers and traders in Sweden. The federation's membership includes 9,000 member firms active in retail and wholesale trade.

What products does Sweden export to China?

Almost half of Swedish exports of goods to China is constituted of various types of engineering products, one-fifth of medical and pharmaceutical products and one-tenth of raw materials such as wood, paper raw materials and iron ore. Engineering products account also for almost half of imports from China, clothing for one tenth.

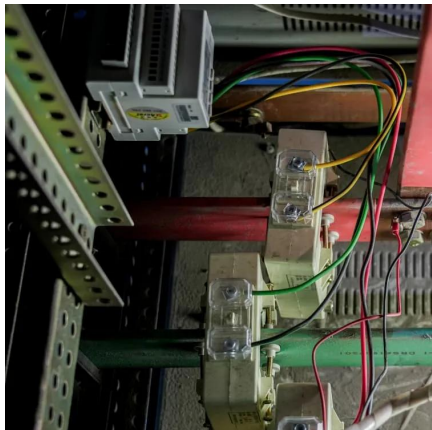

What is the Swedish Trade Federation (Svensk Handel)?

The Swedish Trade Federation (Svensk Handel), is the principal organization for private sector importers and traders in Sweden. The federation's membership includes 9,000 member firms active in retail and wholesale trade. The major distribution centers in Sweden are Stockholm, Gothenburg, and Malmo.
