

Dhaka solar container communication station wind power equipment installation

Overview

Who is Dhaka solar?

Dhaka Solar LTD. Dhaka Solar Limited – powering a sustainable future for Bangladesh. We provide complete solar energy solutions for homes, offices, and industries. With advanced technology and expert EPC services, we help reduce electricity costs and carbon footprint.

Who is let's back to the Green Dhaka Solar Ltd?

Let's Back to the Green Dhaka Solar LTD stands at the forefront of the renewable energy revolution in Bangladesh, spearheading the transition towards sustainable and eco-friendly energy solutions. Established with a vision to harness the power of the sun, this esteemed company has emerged as the leading solar enterprise in the region.

Why should you choose Dhaka solar?

With advanced technology and expert EPC services, we help reduce electricity costs and carbon footprint. Your reliable partner for smart and affordable solar energy — Dhaka Solar Ltd. offers customized design, seamless installation, and long-term maintenance to match your unique energy goals. Let's go green together — Let's back to green!.

Where are solar power plants made?

Headquartered in Shanghai with 50,000+ production bases across Jiangsu, Zhejiang, and Guangzhou, the company employs 1,000+ professionals, including 20+ engineers driving energy storage technology. ISO/TUV/CE-certified units deliver rapid-deploy solar power for off-grid, emergency, and mobile applications, reducing emissions by 70% vs diesel.

Dhaka solar container communication station wind power equipment

[Wind & solar hybrid power supply and communication](#)

The system utilizes solar arrays and wind turbines to store the electricity generated through an intelligent wind solar hybrid controller into a battery, and then converts the stored DC electricity ...
