What is a 40ft container?

Each 40ft Containers is designed to withstand South-africa's diverse climate conditions, ensuring the safety and security of your assets. Our 40ft Containers is perfect for personal, commercial, and industrial use, making them a top choice across South-africa.

What factors affect the cost of shipping containers in South Africa?

Several elements impact the cost of shipping containers in South Africa:
Condition: New containers are more expensive than used ones. Refurbished containers offer a middle ground in terms of price and quality. Size: Larger containers (40ft) typically cost more than smaller ones (20ft), but they offer better value per cubic meter.
