# **Folding container three-phase for Muscat Highway**

## Overview

---

What is the Oman logistics strategy?

The Oman Logistics Strategy lays out long-term objectives for increasing the contribution of the logistics sector to GDP.

Will Oman become a logistics hub by 2040?

Oman aspires to leverage its deep-water ports on the Gulf of Oman and the Indian Ocean to become one of the world's top ten logistics hubs by 2040. All seven commercial ports in Oman are state owned. Three are deep-water ports: Sohar in the north, Duqm at the center of the country's coastline, and Salalah in the south.

Will Oman Air restructure?

The government is also considering privatizing the national bus and ferry networks. U.S. management consultancy firm Oliver Wyman is advising state airline Oman Air in its restructuring process to reduce operational losses and financial debt, the Minister of Transport announced August 7, 2023.

Does Oman have a bus system?

Oman has an ongoing drive to expand its bus and private taxi systems. In December 2021, Oman opened a dry port at Khazaen Economic City, a 20-square mile logistics-led development outside Muscat, featuring a free zone, an automobile market, and factories.
