

**GETON CONTAINERS**

# **French solar container outdoor power company**

## Overview

---

Who specializes in photovoltaic solar energy?

EMERAUDE SOLAIRE specializes in photovoltaic solar energy solutions, offering comprehensive services from design to maintenance of solar power plants. With a strong track record of supporting over 850 clients and a focus on innovative installations, the company is a key player in the solar energy sector in France.

Why do you need a solar container?

Deploy power in hoursPerfect for remote locations, construction sites, events, and emergency response situations. Our solar containers ensure fast deployment, scalability, customization, cost savings, reliability, and sustainability for efficient energy anywhere.

Where are solar power plants made?

Headquartered in Shanghai with 50,000+ production bases across Jiangsu, Zhejiang, and Guangzhou, the company employs 1,000+ professionals, including 20+ engineers driving energy storage technology. ISO/TUV/CE-certified units deliver rapid-deploy solar power for off-grid, emergency, and mobile applications, reducing emissions by 70% vs diesel.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.
