## Overview

---

What is HJ mobile solar container?

The HJ Mobile Solar Container comprises a wide range of portable containerized solar power systems with highly efficient folding solar modules, advanced lithium battery storage, and smart energy management.

What is a mobile solar container system?

The mobile solar container system includes solar panels, storage batteries, inverter, mounting brackets, and accessories. Solar panels collect energy from the sun and store it in the battery bank, and the inverter converts it to AC power for use.

Does a mobile solar container work with a lithium battery storage container?

The mobile solar container is designed to work seamlessly with lithium battery storage containers, allowing for efficient energy storage and use. This compatibility makes storing solar power easier when sunlight is unavailable. Lifespan is over 10 years old with reliable materials.
