

# Latest 60kWh Energy Storage Container for Base Stations

## Overview

---

What is a lynx C 60kWh cabinet?

To meet customers' needs for an easy-to-install inverter-plus-battery system, the Lynx C 60kWh cabinet includes a convenient compartment for the ET15-30kW series inverter. Together, they form a complete energy storage solution, facilitating efficient energy backup, peak shaving, and streamlined load management.

How does the lynx C 60kWh battery system work?

Facilitating outdoor operation across different climate zones, the Lynx C 60kWh battery system can effectively manage temperature through heating and cooling mechanisms. Due to the compact system design, transportation and installation become straightforward, ensuring a hassle-free setup for installers and system integrators.

What is the lynx C 60kWh?

"We are excited to introduce the Lynx C 60kWh, an innovative energy storage solution that reflects GoodWe's commitment to advancing the renewable energy landscape. This marks a significant step forward in our commitment to delivering efficient and scalable energy solutions."

Why did goodwe launch the lynx C 60kWh battery?

With a focus on C&I scenarios over the recent years, GoodWe's launch of the Lynx C 60kWh battery represents a strategic addition to its C&I portfolio. "We are excited to introduce the Lynx C 60kWh, an innovative energy storage solution that reflects GoodWe's commitment to advancing the renewable energy landscape."
