## Overview

---

How many homes will a solar project supply in Angola?

Each one of the five projects that comprises the Angola Solar Project will supply the needs of 500,000 Angolan homes, mainly in rural areas. Sun Africa was awarded the prestigious "ECA/DFI-backed deal of the year" by "TXF Perfect 10" for Sun Africa's 370 MW solar PV project in Angola.

Who backed Sun Africa's 370 MW solar PV project in Angola?

Sun Africa was awarded the prestigious "ECA/DFI-backed deal of the year" by "TXF Perfect 10" for Sun Africa's 370 MW solar PV project in Angola. Sun Africa initiated this project, developed it, and arranged long-term financing.

What is the Angola solar project?

The Angola Solar Project creates new opportunities for Angolan communities that will no longer be forced to rely on and pay for gasoline or diesel generators. Each one of the five projects that comprises the Angola Solar Project will supply the needs of 500,000 Angolan homes, mainly in rural areas.

Why did Angola choose Sun Africa?

When Angola wanted to strengthen their national electricity system, diversify their energy matrix, and reduce their dependence on fossil fuels, they turned to Sun Africa. The result is the Angola Solar Project, the largest renewable energy project in Sub-Saharan Africa.
