Nordic EK SOLAR energy storage equipment

Overview

Where is Nordic solar launching its first battery energy storage system?

Yesterday, Nordic Solar officially inaugurated its first battery energy storage system (BESS) park in Denmark. The facility, located in Borup in the Municipality of Hillerød, marks a great milestone in the company's strategy to integrate battery storage into its portfolio of solar energy projects across Europe.

Why should I join Nordic solar?

Joining Nordic Solar means building a career with exciting opportunities. You will find a space to grow, learn and engage in a collaborative environment. Battery Energy Storage Systems (BESS) are the perfect complement to solar energy, which is one of the most predictable and cost-efficient renewable energy sources available.

Who is Ek solar energy?

EK SOLAR ENERGY's Comprehensive Smart Battery Energy Storage System (Smart BESS) Offerings We Group stands at the forefront of Smart Battery Energy Storage Systems (Smart BESS), offering a comprehensive range of products and services catering to diverse sectors.

Where is Ek solar energy made?

It also has a manufacturing base in Shanghai, China. EK SOLAR ENERGY is committed to becoming a global leading energy storage brand, making green energy more reliable and making future life better. About EK Solar Energy - We are pioneers in solar power and energy storage technologies.
