

Portugal new energy battery cabinet module

Overview

Will a 5 mW 20 MWh battery storage system be built in Portugal?

Galp, a Portuguese energy company, has announced plans to build a 5 MW/20 MWh battery storage system in Portugal, in collaboration with Powin. The system at one of Galp's solar plants will enable it to adjust its PV production profile and meet its energy requirements. This project marks Powin's first venture in Europe.

Is powin launching a battery energy storage system in Europe?

This project marks Powin's first venture in Europe. Global energy storage supplier Powin LLC and Portuguese integrated energy company Galp have partnered to install a utility-scale battery energy storage system (BESS) in Algarve, Portugal. The 5 MW/20 MWh battery system will be built at one of Galp's solar power plants near the village of Alcoutim.

Where are Galp & powin launching a large-scale battery energy storage system?

Galp and Powin have begun the installation of a large-scale battery energy storage system in Alcoutim, southern Portugal.

Where will Galp's 5 mW 20 MWh battery system be built?

The 5 MW/20 MWh battery system will be built at one of Galp's solar power plants near the village of Alcoutim. The announcement marks Galp's attempt to hybridize its solar power production portfolio.
