

Rigashen Energy Power Plant Energy Storage Project

Overview

Where are lithium energy storage projects based?

With next-generation air-cooled and liquid-cooled lithium energy storage products and holistic solutions, its energy storage projects that have been put into operation are spread across domestic and international markets such as Europe, the US, and the Asia-Pacific region.

Who is risen energy green power (Zhejiang)?

Risen Energy Green Power (Zhejiang) Building Materials Co., Ltd., a wholly-owned subsidiary of Risen Energy Co., Ltd., focuses on building-integrated photovoltaics (BIPV).

Who is risen energy?

Risen Energy, one of the global leaders in the manufacturing of photovoltaic modules and energy storage solutions (BESS), is reinforcing its presence in Europe with the opening of its headquarters in Madrid.

Does risen Energy Invest in Guyang Jinshan Industrial Park?

Risen Energy intends to invest in Guyang Jinshan Industrial Park, Guyang Jinshan Industrial Park, through its wholly-owned or holding subsidiary, in the source-network-load-storage integration demonstration project (Phase II) of the incremental power distribution network in Guyang Jinshan Industrial Park.
