

**GETON CONTAINERS**

# **Solar energy storage service provider**

## Overview

---

What is solareast battery energy storage systems?

SolarEast Battery Energy Storage Systems provides customized BESS solutions for industrial parks, farm energy storage solutions, and C&I Energy Storage System to reduce peak demand charges, stabilize power supply, and enable smart energy management.

Who uses solareast solar batteries?

SolarEast solar batteries and solutions are recognized and welcomed by customers worldwide. Our targets are focused on the following markets: industrial and commercial energy storage systems, Telecom Energy Storage Systems (TESS), transportation/utility energy storage, and large/medium/small backup power systems.

What types of energy storage solutions do you offer?

We offer commercial and industrial energy storage system solutions. Our air-cooling and liquid-cooling ess cabinets are safe, all-in-one solutions that are easy to maintain. Designed to meet a variety of energy storage needs, click to learn more about how our energy storage solutions can benefit your business.

What is a residential energy storage system?

Our residential energy storage systems allow homeowners to store the energy produced by their solar panels during the day and use it at night or during periods of low sunlight. With our energy storage systems, residents can reduce their dependence on the grid and enjoy greater energy independence.
