

# **Solar panel aluminum top manufacturer**

## Overview

---

Who makes a solar panel aluminum frame?

Wellste Aluminum has manufactured and supplied solar panel aluminum frame for over 20 years. 30 engineers, 10 years of aluminum industry working experience can offer you the best solution for your solar panel and solar system project.

Who are the top solar panel manufacturers in the world?

A few hundred companies worldwide are engaged in manufacturing of photovoltaic cells, modules and other solar products. For your convenience, we have compiled a listing of the top solar panel manufacturers recognized globally. The Chinese company is among the biggest solar power firms and PV module makers globally.

Who makes solar panels?

The Chinese company is among the biggest solar power firms and PV module makers globally. It was established in 2006 and initially was producing only solar wafers. With HQ in Shanghai, it has U.S.-, Japan- and Germany-based branch offices. JS manufactures solar devices meant for industrial, commercial and home use.
