## Station house solar container system

---

### Vicinity or district?

How much did the house cost? - Somewhere in the region of \$1,000,000. For me, C is the most likely - if what they are asking for is the most likely collocation. Edit: "Quarter" (and ...

["Could you tell me where the train station is?" Is it correct?](#)

In BE you don't need to say train/rail/railway. You can just say station, because railway station is what it means by default. If you mean a different kind of station, you would ...

[railway station or train station? , WordReference Forums](#)

A train station (commonly station, railway station (mainly British Commonwealth) or railroad station (mainly US)) is a railway facility where trains regularly stop to load or unload ...

[Free Quote](#)

[bus station/bus stop . WordReference Forums](#)

A bus "station" is not a bus "terminal"; though a "terminal" is a "station-on-steroids". This is why certain facilities are called bus, train, and or passenger terminals; while other ...
