## Submerged Energy Storage Power Station

---

[sand off/under the island? . WordReference Forums](#)

The city's remains were covered by a thick layer of sand (off/under) the island. As a non-native speaker, I can't understand why the right selection is "off" in stead of "under", ...

[swim in/on a lake , WordReference Forums](#)

Normally, I would use "in": the verb swimming suggests being at least partially submerged in the water. However in your sentence, which depicts a bird swimming on the ...

[The roads are submerged in or under water?](#)

In fact "submerged" means under water, so it's actually redundant in that sentence. It's perfectly possible to be submerged under effluent, red wine, or any other liquid (Malmsey ...
